Argentex Group plc

("Argentex" or the "Company")

Update re. Possible Offer

Bridge Funding

Further to the announcement made yesterday, the Board of Argentex confirms it is in advanced discussions with IFX Payments (the trading name of IFX (UK) Ltd) regarding a possible offer to acquire the entire issued and to be issued share capital of the Company (the "Possible Offer"), at a price of 2.49 pence per Argentex share in cash.

Although discussions are at an advanced stage, the Board cautions that there can be no certainty that a firm offer will be made for the Company.

The Board of Argentex has carefully evaluated the Possible Offer with its financial adviser, alongside other expressions of interest received, and has concluded that the Possible Offer reflects the most attractive immediate proposal for Argentex Shareholders. As such, should a firm offer pursuant to Rule 2.7 of the Code be made by IFX (UK) Ltd on the financial terms set out above, the Board of Argentex would be minded to recommend such an offer to shareholders. In the meantime, Argentex shareholders are advised to take no action.

Bridge Funding

In addition to the Possible Offer and in order to provide the necessary short-term financing for the Company, the Board has entered into an agreement with IFX Payments for a secured bridging loan of £6.5 million (the "Bridging Loan") with an interest rate of 15% per annum, and the Company is now in receipt of cleared funds. The Company is in discussions with IFX Payments regarding significant further short-term ongoing liquidity support, which is crucial for the Company to continue to trade in the near term. The purpose of the Bridging Loan is to provide the Company with immediate working capital flexibility to assist with its near-term liquidity needs. The Company has kept its Liquidity Providers fully informed of its financial position and will continue to do so.

Notwithstanding the provision of the Bridging Loan, in light of the requirement for the Company to secure significant further immediate ongoing liquidity support within the next week, trading in the Company's Ordinary Shares will remain suspended. Further announcements will be made in due course.

Irrevocable Undertakings in Connection with the Possible Offer

IFX Payments has received irrevocable undertakings from the Argentex directors and certain other Argentex shareholders to vote, or procure a vote, in favour of a firm offer at a price consistent with the Possible Offer in respect of a total of 70,161,376 Argentex shares representing, in aggregate, approximately 58.26% of the issued ordinary share capital of Argentex as at the date of this announcement, details of which are set out at Appendix A. The irrevocable undertakings remain binding in the event of a competing offer.

Information required under the Code

Pursuant to Rule 2.6(a) of the Code, IFX Payments will be required, by not later than 5.00 p.m. (London time) on 20 May 2025, to either announce a firm intention to make an offer, subject to conditions or pre-conditions if relevant, for the Company in accordance with Rule 2.7 of the Code or announce that it does not intend to make an offer for the Company, in which case the announcement will be treated as a statement to which Rule 2.8 of the Code applies. This deadline may be extended with the consent of the Takeover Panel, in accordance with Rule 2.6(c) of the Code.

This announcement has been made by Argentex with IFX Payments' consent.
